Introducing SchedulinX

»» Linking you with your customers.

A new way to schedule appointments – online.

What you get

- ▶ A complete online scheduling system that can seamlessly integrate with your existing website or stand alone
- ▶ Comprehensive schedule editing - manage availability and appointments for each employee
- ▶ Effortless website setup, add new pages in a snap
- ▶ Check and manage your schedule from anywhere - in the office or on the go; all you need is an internet connection

What your customers get

- ▶ An effortless, streamlined appointment scheduling experience with an easy-to-use interface and clear availability displays
- ▶ Automatic appointment reminders
- ▶ Simple rescheduling of missed or inconvenient appointments
- ▶ Always-on, 24/7 scheduling access, removing the need to call during normal business hours

Advantages At A Glance

Phone-Based Scheduling

Customers call appointment line during limited business hours

Availability is laboriously determined by mixing and matching times until a non-conflicting time slot is found

Customers must be reminded of future appointments by phone call

No web site, no online connectivity, and no online presence for your business

Customers schedule appointments online at their convenience, 24/7

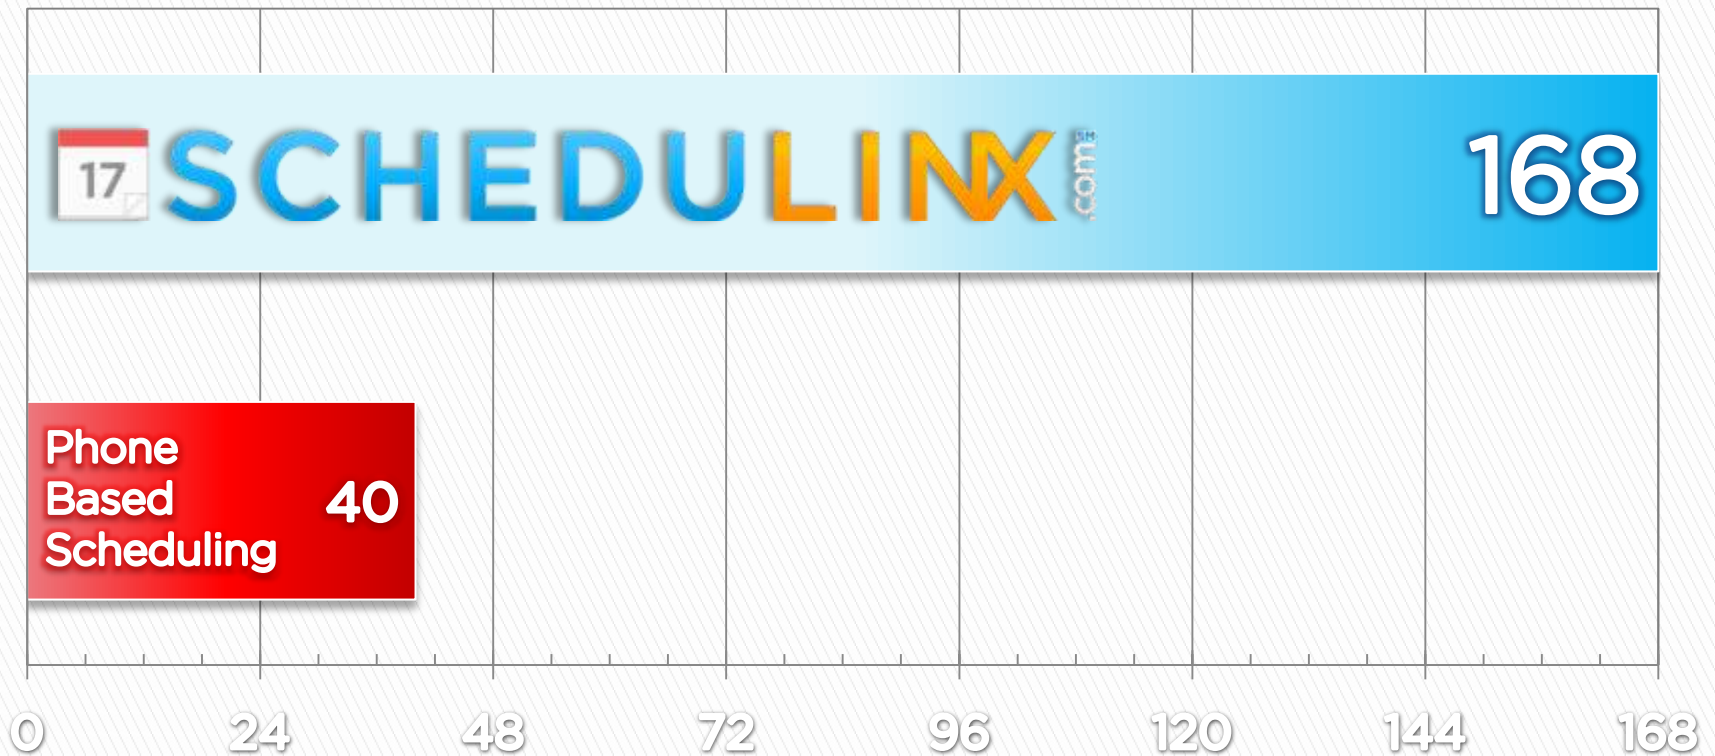

Availability is presented in a clear and simple schedule online with customers picking the available time slot that works best for them

Customers can view their future appointments online, and can choose to be reminded by e-mail

Establish an online presence through your free website and domain name

Non-stop Availability

Availability, in hours per week

30 Day Money Back Guarantee

»» Our system comes risk-free for an entire month. If you and your customers are not completely satisfied, you'll receive a no-hassle 100% refund.
